

Mary Poppins Musical Students,

Please look at the information below regarding which shoes to order for specific scenes. You must start wearing these shoes to practice ASAP, but no later than Thursday, October 18th. If you already have shoes listed below, please bring them to practice ASAP to be approved.

Sizing: Sizing with dance shoes can be difficult, so be sure to try on someone else's, look closely at the sizing charts and read the online reviews before ordering.

If you have questions or concerns, please contact me via email at Alyssa.csda@gmail.com.

Thank you!

Featured Dancers – Canvas Lyrical Shoes

Those in pants/tops – Black split sole jazz boots (found on Amazon or at Payless)

Those in dresses – Character shoes or lace up boots which match your costume (if you are in 5th, 6th or 7th grade wear boots, not character shoes for sure)

Jolly Holiday Statues – wait to confirm shoes with directors/costumers

Anything Can Happen

Chorus/All Others – Black split sole jazz shoes (found on Amazon or at Payless)

Featured Dancers will need footless tights for their dances which match their skin tones. Also, all other members in **Step in Time** will need Black crew cut socks with absolutely no logos or coloring above the ankle.

If you are a main character or have a special circumstance, please talk with directors right away to find out what you need.
